

La bagatelle time

Hello, salut, bonjour Madame
Hi, comment allez-vous ?
Have a coupette of le Champagne
La vie with you, c'est très fougou

Have a promenade in my car
Whaoh, où m'emmenez-vous ?
Very high but not very far
Monsieur, vous êtes un canaillou

Every partout at the same time
On the mondial planète
It's
Very très chic,
It's a little pouët-pouët
It's It's It's It's
La bagatelle time
It's
La bagatelle time
It's It's
La bagatelle time

I want to sing a song for you
Yeah, avec des « chabadas »
I cover your body with bijoux
Autour du cou, à tous les doigts

Let's make a voyage to Venise
Oui, menez-moi en bateau
I will show you the banana trees
Body body, à l'huile de coco

Every partout at the same time
On the mondial planète
It's
Very très chic,
It's a little pouët-pouët
It's It's It's It's
La bagatelle time
It's
La bagatelle time
It's It's
La bagatelle time

Enter, Madame, in my office
Oh, j'adore votre stylo
On my leaps, put a little kiss
Sous la dictée, la dactylo

Come on, Darling in my shower
C'est chaud, c'est très olé olé
Let us dance under the water
Very très wet, over mouillé

Every partout at the same time
On the mondial planète
It's
It's
It's la bagatelle time
It's, it's
La bagatelle time
